

Workforce Activation Organizational Chart

FACILITATOR

The role of the Facilitator is to provide the structure and tools for managing the planning process.

STEERING COMMITTEE

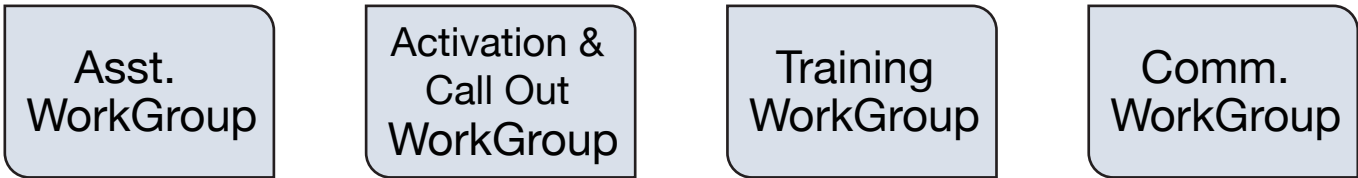

The role of the Steering Committee is to ensure the integrity of the process. This includes reviewing the approach and methodology; structuring the work groups; supporting work group orientation and training; processing assessment information from work groups and formalizing recommendations from the work groups and ultimately making decisions for implementation of a Workforce Activation Plan.

Steering Committee

The Core Team

THE CORE TEAM

The core team is responsible for managing and coordinating the overall process and work products, and making day to day operating decisions about the process and the work.

WORKGROUPS

The role of the Work Groups is to understand the project processes and practices; to identify and conduct “field” assessments of the topic area for which they are responsible and prepare recommendations, documentation and/or rough content.
